

Membranes are consumed regularly. MemRe offers the professional disposal.

Your worn and registered in our database membrane is disposed of quickly and in the environmentally friendly way of MemRe.

The handed over certificate by us confirms our service.

The qualified evaluation of opportunities constitutes a core performance of MemRe benefits.

You send your request for disposal, MemRe is planning the shipment and offers support in all concerns (eg. by QR barcode label).

The membranes will be picked up.
